

Excalibur, Messenger #2

The discourses Excalibur and Usa bring forth truly inspire many people from around the world in their 'Passage to Enlightenment'. They each deliver a profound healing presence that sensitizes each of us to awaken to truth, heal ourselves, and move forward in life with a new feeling of ease, meaning and grace in our personal lives. Excalibur's presence provides a living testimony to His Guided Meditations into the Garden of our Consciousness, where deep transformation is possible. His Transmissions of the Ascended Masters carry and deliver the Masters Presence and Messages with such purity and certainty.

Excalibur (Jayde Dunser) grew up on a farm in Saskatchewan, Canada. His parents enrolled him in hockey at a very young age of 5 years old, and he went on to play in Junior Hockey after High School. The enormous physical endurance that is required to play hockey well prepared his physical garment in transmitting the Ascended Master's Presence and Frequencies of Light and Love.

The Ascended Master Asun has been training Excalibur over several of his last embodiments to become an Accredited Messenger of the Ascended Host. In 2009, Asun took up his training again and quickly and wonderfully he has risen to the Art of Ascended Master Transmission.

One of the first things we noticed with Excalibur was his ability to enter into Sacred Invocations with a Commanding Presence backing up his voice and his physical body's ability to carry and transmit the great power and love of the Ascended Host. In Edmonton, Alberta, in the winter of 2010, Excalibur delivered the most amazing transmission from the Mighty Elohim Creator Being known as Mighty Hercules. Here we knew his training with Asun had reached a level that Excalibur could be a clear instrument for the Great Ascended Host to communicate Their Messages and love to Humankind. The Beloved Hercules was able to transmit not only His Message; also he could transmit through Excalibur's Spiritual Centre and body, the tremendous love, strength and power of this glorious Cosmic Being.

Asun has explained that because of former attainment, that the Ascended Masters Lord Maitreya, the Mighty Victory and the Goddess of Liberty have taken a great interest in overseeing Excalibur's continuous training as an accredited Ascended Master Messenger. Excalibur's youth, gentleness and loving presence is a living example of the great awakening that is now happening within young people at this time and he is a source of inspiration to all of us.

Excalibur truly delivers the Divine Energies, Presence and Messages from the Masters in an engaging way that empowers each who experience his Transmissions. His Guided Meditations into the Garden of our Consciousness produce life changing results.
