

HELP OUR PLANET..NOW!

“Almighty I AM Presence of each of us, Mighty I AM Presence of all humankind, Beloved Akasha, in the name of the Infinite I AM Presence, in the name of the Great Ascended Host and the Ascended Jesus Christ who last demonstrated the power of God upon this planet, do I call to you to draw forth unto the atmosphere of Earth into the powers of nature, the forces of the elements, into the planet, the tectonic plates, the gas belts, that which is the very consciousness of Christ, Great Beings of Light, Mighty I AM Presence and Great Beings who direct the Sacred Fire to the Earth, strike through the mass consciousness that brings about such confusion to Mother Nature and her elements, cut through that mass consciousness and drive the Christ Consciousness into the atmosphere of Earth, into the Earth herself and all her kingdoms, that All-Christ Healing Consciousness of the Great Cosmic Light, Love’s Eternal Presence and every miracle of the Sacred Fire and assist this beloved planet at this time of great change, and project the consciousness of Christ into the feeling side of the sleeping masses and stir their great awakening to the Divine way of living life. We thank you, we thank you, we thank you!”

DECREE 1

Oh Mighty I AM Presence, Great Flame of God within me, through you I greet the Great God Presence I AM of every human being on this earth and those who are waiting for embodiment at this time.

Oh Mighty I AM Presence in thy Great and Holy Name and Presence do we call upon you and thy Great Servants, the Angelic Hosts, and those who have gained their freedom in the Ascended realms and the Great Cosmic Beings, COME, COME, COME in your great Ascended Masters’ and Angelic authority and release the Great Central Sun’s Mightiest Oceans of Sacred Fires of Purification upon this Earth.

So charge the environment of Earth, the Powers of Nature, the Forces of the Elements. DRIVE, DRIVE, DRIVE the Great Sacred Fires of Purification into the Earth, the center of the Earth and all inner structures of the Earth that forces the purification of all discord and causes all discord to be removed from the Earth and all Her kingdoms and all Her environment, that this Planet Earth may shift into her next great all Christ Consciousness as quickly as possible. And Great Host of Ascended Beings you are watching, DRIVE Your Sacred Fires of Purification into those areas that are most sensitive at this time. That if they do not receive the Great Sacred Fire of the Heart Realm of the Ascended Master realms that these areas could be the most sensitive in creating catastrophic conditions upon this earth.

COME, COME, COME we DEMAND it in the name of our Mighty I AM Presence. We COMMAND it in the name of the Ascended Jesus Christ by the Ascended Jesus Christ Great Command for the Great unleashing of the Sacred Fires of Purification upon this Earth.

DRIVE those Sacred Fires into the feeling side of all human life that silences the destructive use of human free will.

Take up our calls and multiply them ten billion times. We Thank You, We Thank You, We Thank You. And remain in thy great service, use us in any way.

Prompt us to rise into the Light and to stand in the Light and to make the calls for those who do not know of the greater activities of Life. We Thank You.
