

## MIGHTY VICTORY'S POEM

I hold you in my Heart of Light so you may dwell in Peace,  
Then all that Life still holds for you will flow and never cease,  
Until its great Abundance too has charged your world with Light,  
For now the Garden of my Love is your own Palace bright.

Your Presence lifts and holds you there, Its Beauty your own Life,  
The I AM holds and sets you free, above all outer strife.  
Oh call to Me with all your Heart, my dear Friends of The Light,  
And I will raise you by my Power, the Great Command my Might.

So arm-in-arm and hand-in-hand with Legions of Great Light  
We move together ever free in gardens dazzling bright.  
The garden of your heart and mine Life's Glory you now see,  
You are my dear Friends of The Light, I AM your Victory.

Almighty I AM, Almighty I AM, Almighty I AM
